"There are days like this. The Invasors are playing "Here to go"" on the edge of Ireland. I'm dancing with my girlfriend and the smile in her eyes is as beautiful as the rainbow we spied earlier exploring Dunluce Castle. There's a magic in The Invasors music... you know what I'm talking about."

"I'm a fan of The Invasors since 1991, when at 16 years of age, I listened for the first time to MoonBase. I'm a great admirer of his concerts. I saw them seven times and I'm very excited because on June 6th I will see them again in Italy in Brescia. Thanks Invasors!....your music helps my life".
