165.                          worthwhile after the first few demos. Will and me just
       clicked,↵
166.                          and we knew the time was just right to bring back this
       classic sound.</p>↵
167.                          <p>The band was soon joined by drummer/DJ Ed Farrel, who
       spiced↵

       and↵
169.                          electronica loops. At first we just had this sort of 80's
       revival↵
170.                          thing in mind, but when Ed came along he started breaking
       out all↵
171.                          these loops and effects and we were like, cool! The
       combination worked,↵
172.                          and it gave The Invasors the unique edge that defines the
       band's sound.</p>↵
